POMeSYS Updates

Dear \${FNAME}Customer|Guest|\$,

TwinPeaks is dedicated to improving our software and rolling out updates to users as they become available. Below are some of the improvements and enhancements now available:

- Users now have the ability to change the delivery date for all orders on a particular day to another, such shifting one delivery day to another if there is a holiday.
- For those using POMeSYS-Remote Smartphone Add-on, customers will now be taken to the default page assigned in settings.
- Users can now enable Remote Customers to view closed (paid) invoices in POMeSYS-Remote.
- When printing paid or partially paid invoices, users will now see an indication of payment status and any balance due.
- Users can now choose to show or hide the Customer ID on Packing Labels.
- The Inventory on Hand report now shows sub-totals and grand totals for stock value.
- Users can now choose multiple production departments on the costing report.

If you have any questions about these updates, please call 626-793-7223 or email info@twinpeaks.net.
